

Share Your Story: A Research Study for Adolescents and Young Adults with Cancer

Are you between the ages of 10 and 39 and living with or beyond cancer?

Researchers from the School of Social Work at Colorado State University are inviting adolescents and young adults to participate in a study exploring how they understand and make sense of their experiences with cancer.

Who Can Participate?

You may be eligible if you:

- Are between the ages **10–39**
- Have been diagnosed with cancer, except non-melanoma skin cancer
- Able to join an online interview in English
- Can provide consent if considered an adult, or assent with parent/guardian permission if not

What Will Participants Do?

You may participate in **Option 1 only** or **both options**.

Option 1: One-on-One Interview

- Join a flexible remote interview, typically lasting 45–60 minutes, via Microsoft Teams (preferred) or phone.
- Invite a trusted adult to be present, if desired
- Audio or video recording with your permission
- Optionally take and discuss photos that represent your cancer experience
- Participate in an optional follow-up interview
- Receive a \$25 Amazon e-gift card for each interview.

Option 2: Youth Research Partner Meetings

- Join an unrecorded online group of 5–7 peers with cancer experience and two oncology social work researchers on Microsoft Teams to help guide the research
- Participate in up to eight meetings, each typically lasting 45–60 minutes and no longer than 75 minutes
- Receive a \$20 Amazon e-gift card for each meeting

Voluntary Participation

Participation in this study is completely voluntary. Participants may stop participating at any time.

Privacy

Your information will be kept confidential and de-identified. Your name and other identifying details will not appear in any reports or publications. Findings will be shared in summary form.

Interested in Participating?

Scan the QR code that applies to you. After receiving your form, the research team will contact you.
